Subject: Replacing Fuel Tank

Part Identifier
2010

Number
9302

ATTENTION: Service Manager/Service Technician

Models Affected: *911 Carrera 2/4 1989-1992 (K, L, M, N)*
911 Turbo 1991-1992 (M, N)

Concern: Replacement fuel tank Part Number 964 201 921 00 available for 1989-1992 911 Carrera 2/4 and 1991-1992 911 Turbo.

Repair Information: When installing this fuel tank in vehicles produced before the below mentioned VIN's, a new fuel connecting hose, between the filler neck and tank, and two clamps are also needed.

- 1 999 512 195 02 Clamp
- 2 964 201 287 01 Hose
- 3 999 512 322 02 Clamp
- 4 964 201 921 00 Tank

General Information:

The fuel tank has been installed in production since July 17, 1991 from the following VIN's:

- 96X NS 420104 Coupe
- 967 NS 440086 Targa
- 961 NS 460158 Cabriolet
- 960 NS 480167 Turbo
